DOUBLE BECCA!

Dear *Mayfair*,

Ever since we met 18 years ago, and throughout our entire relationship, my wife Becca and I have had an 'open' policy in the bedroom. It was initially her suggestion and, while I do enjoy it, she's always made it very clear that she loves to be fucked by more than one man at a time. She's dominant and gets her own way most of the time, but I'm happy with the way our life is. You might think that it's all one-sided – especially as our rule is no other women – but there's nothing I get off on more than seeing her being drilled by other men.

A few weekends ago, for example, she was having a night out while I sorted the house out, so everything would be in order in case we decided to have any company over the weekend. She usually gives me a call to get her if she can't get a cab so when the phone rang at 11:20, I wasn't surprised at her request for me to pick her up from town. She casually mentioned that she had a couple of friends with her and I knew what that meant!

On the short drive to get her, my cock throbbed with anticipation. I knew that in a little while, I'd be watching my wife get boned by strangers! I cannot describe the thrill it gives me. Especially as I know that when she's had her fun and kicked them out, she'll be all over me like a rash, wanting to relive every moment from my

direction – and before I had even pulled away they were pawing and groping her. A lot of guys would be pissed off at this, but it's all part of the fun and my dick was straining against my trousers as I watched them in the rear-view mirror.

Back at the house the two men finally acknowledged me as they went into the house and Becca told me to make myself useful and bring some beers. I admit feeling a mixture of humiliation and exhilaration as I went to the kitchen to get the drinks and some snacks. I knew that she was about to get fucked senseless by these two gorillas and I couldn't wait to watch. They were bound to have massive pricks and Becca would go crazy! I always get off on watching my wife getting fucked by bigger, thicker meat than my own – I don't know what it is, but watching her moaning and groaning as she struggles to contend with the size truly is a sight to behold.

point of view. Honestly, it's one of the sexiest things ever!

When I pulled up outside the pub, Becca was standing with two big muscular guys, sharing a cigarette with one of them. She waved me down, as if I couldn't spot her from a mile off in her tight black mini skirt and heels. Then, treating me like I was a taxi driver, all three of them piled into the back together, without so much as a glance in my

FOR BETTER... OR NURSE

Dear *Mayfair*,

I think I may have stumbled across, thanks to your photoshoot in 53.03 of 24 year old debutante Cara, my ideal future wife and the mother of my children!

To begin with she must be an intelligent young lady to be selected to embark on a course of nursing tuition, but on top of that her mane of blonde hair, angelic face with kind eyes, perfect teeth, wonderfully kissable mouth and spectacular lingerie in the opening shot served to hint at the many delights ahead.

Her small but clearly sensitive breasts and nipples are there to be gently caressed, kissed, licked and nibbled, and I was also struck by her sturdy shoulders and strong back. I was delighted to see she's decided to shave her glorious mound of venus and remove all traces of pubic hair in the region! All in all, then, I don't think I could choose better for a future life partner – but now the difficult part of the plan begins!

Kevin, Lincs.

Well I heartily commend you on your choice, Kevin – but yes, you might have your work cut out putting this admirable plan into effect! – The Ed.

KIKI GEE!

Dear *Mayfair*,

It's not often I feel the urge to put pen to paper (OK, email), but I just wanted to send you a few lines in praise of the beautiful Kiki who featured in your latest issue (53.04). While the first picture of her in the spread (not to mention the cover shot) showed all too clearly that her peachy bum is right out of the top draw, what really captivated me was her piercing pale blue eyes. Absolutely stunning – just one look from her with those eyes and her feline beauty would make any grown man go weak at the knees, so you can imagine what effect the sight of her stripping out of her lingerie set had on me! But can you explain the "We're all mad here" tattoo for me – I mean I know I'm mad about Kiki, but what's she mad about, I wonder...?

Grant, Shrewsbury.

Well Grant, apparently it's a quote from the Cheshire Cat in *Alice In Wonderland*, which turns out to be Kiki's favourite book! – The Ed.

was only gone for a few minutes, but by the time I returned to the lounge, Becca was already getting stuck in. She doesn't waste any time, my wife! She was knelt on all fours on top of the coffee table, her tiny lace g-string pulled to one side, while Finn, the bigger of the two, rubbed his cock up and down the crack of her arse. Becca's pussy was gooey with her juices and she was begging him to shove his dick inside her snatch.

Matt, the other guy, was watching and wanking, encouraging Finn to give her a good seeing to as she was "gagging for it". Finally, Finn gripped her hips with his large hands and shoved his thick cock deep inside her waiting slot. Groaning loudly, she jerked back to meet his slamming prick, her huge boobs bouncing as he ploughed in and out of her clunge. Grinning, Matt took a beer from me and moved around in front of Becca, holding out his cock for her to suck. My horny wife began licking and sucking greedily away, all the time getting a dicking from his mate.

This was all too much for me and I couldn't help getting my throbbing cock out and having a tug. Finn and Matt sawed their

cocks in and out of her, pumping Becca hard. Her cheeks were bulging from the amount of meat that was being almost shoved down her throat. With her mouth and pussy both full nearly to bursting, she was thoroughly enjoying being fucked from both ends.

Just when I thought it couldn't get any hornier, Finn knelt behind Becca and, dribbling spit, he lubricated her arsehole with his tongue, lapping at her beautiful ring. I thought I would shoot my load there and then as I realised he was about to cram his overly large appendage inside my wife's tightest hole.

My hand pumped frantically as I watched him align his big cock with Becca's puckered ring before pushing his fat shaft inside her arsehole. Matt sounded like his climax was close and he was urging her to suck him harder. My knees went weak as I watched the two of them fuck my wife simultaneously and began to feel my balls tighten. By now Finn had thrust his full length inside her bum, hammering it in until his balls were slapping loudly against her wet pussy.

Matt held onto the back of Becca's head and her mouth bulged as he started to come, jerking his spunk down her throat. She struggled to swallow as Finn started shagging her arse like a madman, grunting and swearing as he erupted inside her, pulling out so he could spray a load of his creamy jizz over her smooth bumcheeks.

I came very soon afterwards, and it was only a few minutes later that Becca, true to form, asked both guys to leave. She's not one for after-sex cuddles when it comes to strangers, thank goodness! As soon as her man-toys had disappeared, Becca took me by the hand, led me to our bedroom and I spent the next couple of hours getting stuck into her well-used orifices!

Duncan, Twickenham

GARDEN OF EARTHLY DELIGHTS

Dear *Mayfair*,

My next door neighbours have a couple of young boys who are always kicking their football over my fence and I'm quite happy to throw it back. However, what I'd forgotten until recently is that the mother of the boys has been married before and has an older daughter, although she now lives away.

I came home one hot afternoon last summer and saw the football lying on the lawn. I picked it up and strolled to the fence and looked into the neighbour's garden. My eyes almost popped out of my head at the sight awaiting me. Lying back on a sun lounger reading a book was a gorgeous, tanned blonde in a black bikini. Her body was heavily oiled and the sun was glinting off the jewel nestling in her belly button. She had big, heavy breasts and long, smooth legs.

I cleared my throat, held the ball up and mumbled something about could she return it to the boys. She looked up, flashed me a beautiful smile and suggested I bring the ball round. I didn't need a second invitation and began walking round to hers, although walking was a bit difficult because by this time my cock was so stiff and all sorts of filthy thoughts were racing through my mind.

I sat on a chair opposite her and she introduced herself as Melanie. It transpired that the family had gone away on holiday and her mum had asked her to look after the house for a week. As we talked I noticed that she glanced down at my erection a few times and I could see her nipples beginning to stiffen in her bikini top. After a few more minutes she said I looked a bit hot and bothered and would I like to come into the house to cool down. It wasn't until she stood up to go into the house that I saw the dirty mare was wearing a thong bikini. I swear my cock grew another inch at the sight.

She slipped her feet into a pair of sandals and began to totter toward the house. I followed her with my eyes fixed on her

Prompted by a letter we got last year, we asked Emma Green if she'd ever paid a visit to the village that's so nearly her namesake, Emmer Green, but it seems she's never taken the time out on one of her M4 journeys home to Wales to pop in, which seems a bit rude to us! Perhaps she could lead a busload of her fans around the place, much like the legendary Frank Sidebottom did a few years ago round the streets of Timperley...?

"Hmm, much as I love my fans, I'm not sure there's much we could do to while away an afternoon in Emmer Green!"

We bet they could think of something!

M

gorgeous, firm arse and my cock twitched every time it wiggled.

Once inside, she said it was cooler upstairs and led me by the hand to one of the bedrooms. She had such a fantastic, fit, slim body that I almost felt sick with excitement. When we got into the bedroom we grabbed each other in lust. I put my hands on her rounded arse and could feel the hot skin as we kissed frantically. I ran my hands all over her thong as she pressed her wonderful tits into my chest. Her nipples were already hard and pressing through the thin fabric of her bikini top.

I undid the ties and let it fall to the floor. She pulled away from our kiss for a second and said mischievously "I think they're pleased to see you"! I didn't reply but just dipped my head toward them and began licking and sucking on her large, brown nipples. I gently teased her tits and Melanie began to pant and moan whilst running her soft hands through my hair. I hadn't had my hands on a fit babe like this for a long time and I thought I was going to cum before she even touched my cock!

By this time she was rubbing my stiff prick through my shorts. She gently eased my head away from her tits, pulled off my

T-shirt and pulled me towards the bed. She sat on the edge of it and pulled my shorts and boxers down and I kicked them away. My stiff prick was standing up proud before her and the swollen head was covered in pre-come. She cupped my balls in one hand and with the other began slowly wanking my cock. Then she looked up at me and said what a bad boy I was for seducing the next-door neighbour's daughter. She then moved her head towards my prick, pulled the foreskin back slightly and began licking my bell-end with her soft tongue. After a while she pulled her mouth away from my swollen cock and a sticky string of pre-come and saliva joined the tip of my cock to her luscious red lips. Once again she giggled and a few drops of my sticky pre-come broke free and splashed onto her lovely big tits. This was too much for me and I begged her to give me a full blow-job. Melanie instantly dipped her head forward and slowly took my cock into her warm mouth. My legs began to tremble as her head bobbed in a steady rhythm, her lovely mouth slipping and sliding up and down my erection as her free hand rubbed my balls.

This girl sure knew how to give head and it wasn't long before my cock started to pulse and twitch in her mouth. She whimpered as the first squirt of sticky cum

landed on her tongue. I could feel her tongue swirling round my shaft and bell-end as I pumped 6 or 7 thick spurts of semen into her mouth.

She pulled my prick from her mouth and looked me in the eyes again. Then she opened her mouth to show me a big mouthful of my creamy mess. She pushed her tongue through it a couple of times, then tilted her head back, closed her eyes and I could see her throat muscles bobbing up and down as she swallowed it the whole lot.

She whispered to me "now it's my turn" and I was still in a daze as she lay back on the bed. Melanie raised her legs and pulled her tiny black thong down her smooth, tanned thighs and over her ankles. Casually dropping it on the floor, she spread her legs wide and I got my first sight of her neatly trimmed pussy. She pulled her lips apart slightly and I could see the pink stickiness glistening in the light. I got down between her thighs and began running my tongue up and down her glorious, wet pussy. I used the flat of my tongue to start with and licked her pussy with long, slow strokes. I soon changed my rhythm and began flicking my tongue quickly backwards and forwards across her swollen clit. This did the trick for her and she began to pant and squeal in delight.

After a few more minutes of frantic licking she moaned she was coming and dug her heels into my shoulders as her pussy rippled against my tongue. Her whole body shuddered and she gasped and then let out a low scream of pleasure.

SHEER HOLLY!

Dear Mayfair,

I'm sure you've received plenty of letters about this girl already, but can I just say that Holly Gibbons seems to look better and better each time you feature her! She seems to be a lot more relaxed and confident now, and her body's blossomed into one with the absolute perfect proportions! Rarely have I seen such flawless beauty as appears in the centrespread of her in 53/05 – her wonderfully symmetrical natural boobs are probably the highlight for me, but with her beautiful face and neat, hairless pussy all adding to the effect of a woman that simply can't be improved! Please let's see more of this lovely model while she's in the absolute peak of condition!

Martin, Bromley.

My cock was stiff again by now and I just had to fuck her tight, wet pussy. Melanie got onto all fours on the bed and I placed my hands on her hips and pushed my cock smoothly into her juicy gash. I pumped her slowly at first, my big heavy balls lazily slapping against her arse. Melanie wiggled her arse and turned round with a wanton look on her face and urged me to fuck her harder and I began to build up a quicker pace.

This whole situation was too much for me and all of a sudden I lost control and began pumping her tight pussy with spurts of thick, sticky spunk. She also started to orgasm and I could feel her pussy tightening around my cock as she panted and moaned. We were both utterly spent and collapsed on the bed, Melanie's gorgeous giggle ringing in my ears.

We spent the whole fucking each other senseless and I can't wait till she comes to look after her mum's house again!

Pete, Loughborough.

KYLIE

Age: 20 Vital Stats: 34G-25-35 5'4"
Photographer: JS Hicks/EXP

When she made her debut appearance in Mayfair a year and a half or so ago Kylie was a mere slip of a 19-year-old, albeit a mere slip of a 19-year-old with a stupendous pair of 34Gs on her! Well we thought it was high time we asked her if she'd like another shoot, and luckily for us (and you!) she jumped at the chance.

As you can see, while she might have appeared utterly unimprovable last year, she has only gone and got even hotter since then! So what might have brought that about?

"Ah, I don't know. I guess I've matured a bit more, but I've also been busy exploring my sexuality – it's been a lot of fun!

We bet it has. Could we, er, explore it a bit as well?

A man was standing next in line at a checkout, when the attractive blonde woman in front of him turned around and gave him a big smile.

"Hello," she said, as she waited for her

the same height.

On leaving the shop, he saw the pretty woman getting into her car. He ran over to her and said, "Look, you couldn't have been the girl I met that night at a party in Hampstead in 2003, could you? We had sex on the billiards table in front of everyone, things got really wild and I got so drunk that I didn't get your number."

The woman looked utterly outraged and said, "Certainly not! I'm your son's English teacher."

Upon hearing that her grandfather had just passed away, Katy went straight to her grandparent's house to visit her 95-year-old grandmother and comfort her. When she asked how her grandfather had died, her grandmother replied, "He had a heart attack while we were making love on Sunday morning."

Horried, Katy told her grandmother that two people nearly 100-years-old having sex would surely be asking for trouble.

"Oh no, my dear,"

replied granny. "Many years ago, realizing our advanced age, we figured out the best time to do it was when the church bells would start to ring. It was just the right rhythm. Nice and slow and even. Nothing too strenuous, simply in on the ding and out on the dong."

She paused to wipe away a tear, and continued, "He'd still be alive if it hadn't been for that damn ice cream van."

A guy goes to his doctor and says, "Doc, I have a problem. My girlfriend is sleeping over this Friday, my ex-wife is sleeping over this Saturday and my wife is coming

home Sunday. I need three Viagra pills to satisfy them all."

The doctor says, "You know three Viagra pills three nights in a row is pretty dangerous for any man. I will give them to you on the condition that you return to my office on Monday so that I can give you a full check-up."

The man agrees.

Monday morning arrives and the man returns with his arm in a sling. The doctor asks, "What happened?"

The man replied, "Nobody bloody well showed up!"

A chap takes his wife to Blackpool for their wedding anniversary. When they arrive at the hotel he gives her an anniversary gift, a fur coat made of real hamster fur. Later that night, while he has a soak in the tub, she wears the coat to go out for a stroll, but never returns to the hotel. Eventually, panic-stricken with worry, the man calls the police and reports her missing.

The next day an officer calls to tell him they found her within minutes of reporting her missing, at the funfair.

"So why haven't you brought her back to me yet?" asks the husband.

The copper replies, "We still can't get her off the big wheel!"

A blonde driving alone in her sports car gets flashed over by a policewoman, who is also a blonde.

"May I see your licence?" The policewoman asks.

"What does it look like?" The driver replies.

"It's a rectangular thing with a picture of you on it."

The blonde driver rummages through her bag and finally pulls out her compact mirror and hands it to the policewoman.

She takes one look at it and says, "Why the hell didn't you tell me you were a copper as well? I wouldn't have pulled you over!"

Q: How you seduce an oversized woman?

A: Piece of cake!

A man and woman had been married for 30 years, and in those 30 years, they always left the lights off when having sex. Because of a tiny penis he was embarrassed and scared that he wouldn't be able to satisfy her, so he'd always worn a strap-on whenever they made love. For all those long years she didn't have a clue.

One night when they were *in flagrante* she decided to reach over and flip the light switch on so she could finally see her husband's wonderful cock, which had given her such pleasure over the years. Needless to say, she was completely taken aback.

"What's the hell...!" she exclaimed. "You mean you've been fucking me with a strap-on all these years?"

"I can explain," he said, "but first, I'd like you to explain the kids!"

"Mum always believed in life after death!"

change.

"Er, I'm sorry. Do I know you?" The man said in some confusion.

"Oh, my mistake. I thought you were the father of one of my children," she said apologetically, and picking up her shopping, she left the shop.

The man was astonished. He thought, "How amazing that a good looking woman like that should have forgotten who fathered her child!"

Then he began to worry. He had had an encounter in his youth that could have resulted in a child he didn't know about. She had been blonde, pretty, and about

OK, so we missed a trick by not putting the stunning Noel Monique in the Christmas issue so we could get a lame coverline out of it, but hey – as it happens we've only just had a chance to shoot her, and the thought of making you wait until next Christmas to check her out seemed a bit unfair because... well, because just look at her! But does she know her name's a flipped version of 1980s Playmate Monique Noel?

"Yes, I found that out the other day – but I reckon it's pretty cool, don't you?"
More like smokin' hot, we'd say!

AN AMERICAN NYMPHO IN LONDON

CAST: Mia Malkova, Sienna Day, Misha Cross, Victoria Pure.

What a great title – harking back, of course, to *An American Werewolf In London*. I wonder if it's too much to ask for a comic cameo from Mrs Ben Dover herself, Linzi Drew...? Yes, it clearly is. The American, in case you couldn't guess, is Mia Malkova, the spectacularly-arsed splosher who's become a fans' favourite in recent years. We're to believe Mia lives in London and likes it 'cos it's filthy! A flashback to her flight over sees her starting off as she means to continue, hooking up with a fellow passenger on her flight over – and a very comely pair they are as he slams into her in a conveniently quiet section of the plane, culminating in a pretty impressive pop over her fanny. Once in The Smoke she runs the gamut of leery men who scoff doughnuts before finding herself in a laundrette with stud Ryan and

needless to say, it's not just her laundry that ends up getting a good rinse. Mia gets a rest when chums Misha and Victoria share a cock in a very London looking B&B (complete with trouser-press) and busty Sienna has some work-time fun with her boss. Finally Mia, continuing her transport fetish, picks up a fella on the bus and treats him to a knee-trembler to remember. **Available from your local sex shop.**

Viv Thomas/MetArt

ANGELS 2

CAST: Michelle H, Kira Zen, Adel C, Kalisy, Sabrisse.

For those who prefer the only knob in the vicinity when viewing scruff to be their own, here's another lesbo-only title from Viv Thomas/MetArt. It's a tried and tested formula, so hats off to whoever writes the blurb on the back to give each one a unique spin. Anyway, this one kicks off in sensual style as Kira performs a striptease, accompanied by a tasteful fiddle (both musically, and from Michelle). Once the pair are in bed the girls put in some serious exploratory moves on each other's pussy. It's only fingers and tongues, but none the worse for that as the pair writhe away with genuine tenderness. There's another redhead on display next, as Adel and *Game of Thrones* fan Kalisy go head to tail, keeping on their feet for the most part because there's no bed for them to fall back on. Oddly the next scene sees a rematch between Michelle and Kira – this time in a shower. It's nice and all, but really – the same two girls again? More shower action to close as newbie Sabrisse joins Adel for more tasteful g/g fun. **Available from your local sex shop.**

INSOMNIA

CAST: Mona Wales, Chanel Preston, Jenna Sativa, Eden Sin, Moka Mora.

These hot nights, eh? You can try all you like to nod off, but sometimes you've got to admit defeat and watch a scud flick for a while to see if that does the trick. Not that this one's really aiming at that market – the insomnia in question's a bit more angst-y than that! Mona Wales kicks off watching herself (trick camerawork!) engaging in some anonymous nookie in a motel – apparently it's where she feels most at home as she flees a broken-down past. She can actually act, too, delivering a monologue that's

nowhere near as stilted as you might expect. But is she feeling fulfilled, other than in the 'With cock' sense? Despite the organ-stop nipples I'd say no, she's on a search, and

★★★★☆

it takes a good bit more cock and pussy action before she finds herself. A bit of back story filling-in sees a very nice lesbo pairing of Chanel and Jenna and then a very heartfelt porking for svelte Eden, kicking off with a really sloppy BJ that sees her dribbling all over the place. Moka's no slouch, either, and takes a very satisfying pronging from her musclebound stud before we're back with Mona for a heartwarming finale that sees her genuinely pleased to consummate her new life with a drizzle of harry over the arse.

Readers of website full of celebrity tittle-tattle (go on, admit it - it's you, isn't it?) will probably be familiar with the, er, ins and outs of curvy Carla Howe's rather complicated love life - is she dating hip-hop star Tyga or not? Or is she going to be on *Love Island*? Perhaps she's got her eye on someone else these days...? Sadly we don't have the definitive answers to these questions, but what we can tell you for sure is she's looking damned hot these days, and it's always a treat to see her getting her natural curves out for our delectation.

M

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

I recently I went out with a guy for about a year and every now and again the topic of anal would come up, but I wasn't keen. Pete was pretty persistent however and bought magazines, DVDs and even a dildo to get me interested but I resisted all his attempts to get into my tight arse.

I dug out the dildo and carefully slotted it home. It felt enormous at first, too big to fuck myself with, but I practiced with it for a few weeks so that I could surprise Pete on his birthday.

Unfortunately our relationship didn't last that long and we split up. This had nothing to do with our sex life though ironically I was the one left feeling deprived.

See, after all this time I'd finally come around to the idea of taking a big fat cock in the arse and suddenly I was without.

I cried for days though my thoughts always turned to sex and I masturbated like crazy as I fantasised about Pete giving it to me in the arse.

After weeks of frantic frigging I realised I needed to satisfy my curiosity once and for all and set about finding someone who'd help.

Vince was a friend from work so I got all dressed up

and called at his apartment. He invited me in and ran his eyes up and down my legs.

"What's with the get up?" he asked.

"I wanted to look nice for you," I admitted, giving him a flash of my stocking tops.

"Why?" he asked.

"I need you to do me a favour."

I explained my request (with the help of a couple of drinks) and asked if he'd stick his cock

in me, just a couple of times, to show me what it was like.

"I'd consider it a personal favour," I told him and bent over in front of him to let him examine my arse.

Vince ran his hands all over my pert round buttocks and stroked up between them, feeling how wet my bulging gusset was before giving my bumhole a little rub. I clenched my teeth as he applied a little more pressure then I felt him pull my panties down over my thighs and kiss me on the buttocks.

"You really want me to do this?" he asked as he stared at my arsehole in wonder.

"So much so," I replied, chewing my lip and trembling with anticipation. My pussy was saturated and my arsehole quivering. When I felt the tip of his tongue run between the two I began to climax immediately.

"Oh fuck! Oh God!" I groaned as my

pussy went into spasms. I was so turned-on at that moment that just the prospect of getting a big hard cock in the arse and the merest of touches was doing it for me.

Vince straightened up behind me and dropped his trousers. I looked through my legs and saw him waxing my juices all over his up-turned hard-on and came once again.

"Oh yeah, stick that big boy in me," I told him and relaxed my arsehole as much as I could. Vince brushed his wet cock across my cunny before finally pinning it against my anus.

I readied myself to take it all and told him to do it, then felt him lean into me. My sphincter suddenly expanded like I couldn't believe and a great thickness of meat surged inside me.

I screamed into the back of my hand as he plunged into me further and screwed my eyes up tight as he pulled on my hips.

The dildo had felt nice and easy inside me when I'd fucked myself with it but Vince wasn't half as patient as I'd been. He punched his dick in and out of my back door as he fed me his length and only stopped once his balls squashed up against my pussy.

"Are you in?" I asked, panting for breath.

"All the way," he replied.

I flexed my rear and felt him embedded right up to my colon. I couldn't believe how

Then, a couple of months ago, I stuck on one of the DVDs, just out of curiosity, and was blown away at how filthy it was. The more I saw the more curious I got and I even began experimenting, rubbing my fingers against my bumhole before trying a couple inside. They didn't feel as uncomfortable as I thought they would so

When my best mate Esther (who just happens to also be my flatmate) and I have had a recently, what with her losing her job and me getting unceremoniously dumped by my boyfriend Dom. And that's how we found ourselves bored shitless one weekend. We were a right pair of losers, completely skint so unable to go out and, as all our mates were party animals, they'd all bugged off on a weekend in Brighton. After moping around for half the day, we decided to go and get some cheap beauty treats from the pound shop (as well as a couple of bottles of cheap plonk from the offie) and have a DIY pamper session. So, that evening, as our mates lived it up on the town, we got into our robes and plastered on facepacks and did our nails, while we knocked back the Lambrini and danced around to cheesy pop tunes. We had a great time!

We were pretty tipsy when Esther suddenly suggested massages. After a week slumped over a desk at work, my back was aching so I readily agreed. Esther announced that, as it was her idea, she should go first. Disappearing into her bedroom, she emerged with an inflatable airbed and proceeded to blow it up in front of

me. I found this unexpected behaviour hilarious and cracked up, unable to ask her what she was doing as I was laughing so hard

fat he felt, and how much he'd filled me up! I was losing my anal cherry and it was intense. But I was loving every second of it. Vince withdrew just a few short inches then pushed back inside. I gasped as he refilled me and tried to cling onto his cock with my arse but Vince pulled out again and stroked back in.

I felt so filthy and hard-core, just like girls in those dirty anal movies Pete had bought me, and soon I was unloading again, this time all over his fat slapping balls.

"Give it to me, give it to me! Fuck me harder!" I demanded, thrusting back against him and taking everything he had.

Vince's strokes became quicker and quicker until his groans told me he was on the verge of coming.

I wanted him to fill my arse with spunk but he had other ideas and pulled his cock out of me. After giving it a couple of strokes he shot a long arc of sticky come all over my back and bum.

It was an unbelievable experience and I let Vince fuck me again the next night when I asked what he wanted for doing me this favour. Poor old Pete, if only he knew what he missed out on!

me. I found this unexpected behaviour hilarious and cracked up, unable to ask her what she was doing as I was laughing so hard

"I FELT HIM EMBEDDED RIGHT UP TO MY COLON. I COULDN'T BELIEVE HOW FAT HE FELT."

(I guess you had to be there! And I think the booze might have had something to do with it!). When she'd finally inflated the lilo fully, she set it on the kitchen table and stood back, proud of her makeshift massage table!

Esther stripped off her robe down to her knickers and clambered onto the lilo/table, which was in itself really funny, but when she lay flat and I began, I slipped and ended up using about three times

as much oil as I should have. My hands were sliding all over the place, including where they shouldn't have, and when she

"WHEN I THOUGHT SHE MIGHT FREAK OUT, SHE SPREAD HER LEGS AND USED HER HAND TO MOVE ME AGAINST HER..."

tried to roll over on her back, she nearly slipped off. She was topless and laughing so hard her tits were jiggling about all over the place and, for a joke, I grabbed them and gave them a rub, which just set her off even more. I may have been a bit pissed, but I wasn't

think she even knew she was doing it, but when I started pushing against it, just really gently, she seemed to like it.

Soon I stopped being quite so sneaky about it and began blatantly kneading my heel against her and she actually parted her thighs, just a tiny bit, so it slipped further down. It must have been pressing her labia against her clit. A couple of seconds later

she looked up at me, like she couldn't quite get her head round what was happening. Our eyes locked, and I started pumping my heel harder against her. Just when I thought she might freak out, she spread her legs even wider and used her hand to move me against her.

I'll admit I wasn't expecting her to do that and it started feeling ever so slightly weird at that point – there I was with my big toe

“HER JUICES WERE RUNNING, WARM AND STICKY, DOWN MY SOLE AND SHE WAS MOANING AWAY.”

jammed right up my best mate's pussy as she fucked herself with it. Her juices were running, warm and sticky, down my sole and she was moaning away like she was on the edge of her first-ever orgasm. But if it felt good for her...

that out of it, so when I'd massaged her back for 10 minutes and Esther offered to return the favour, I politely declined. Well, I wasn't that polite, actually! Nothing happened between us until later, though, when we'd nearly polished off all the alcohol. Esther had been giving me a pedicure, which she was finishing off with a foot massage. My foot was in her lap, and I realised my heel was right up against her mound as she played with my toes. I don't

I soon realised just how much this was turning her on – I could feel how warm and moist her snatch was against my foot through the gusset of her knickers. I pointed my big toe and used it to pull on the elastic – Esther took the hint and yanked it to one side. Then she grabbed my foot and started playing my toe up and down her slit. Just as I wondered how far this would go, she pulled on it, so my toe sank right into her twat.

I decided to join in the fun, squirting massage oil on my fingers before playing with my clit and then sinking them into my own cunny. The situation was so fucking horny that I knew I'd bring myself off quickly. I

Esther was first to climax and I yelped as her nails accidentally dug into my foot as she pulled it hard against her crotch. At last my toe slipped out, soaking wet, and she brought it up to her mouth so she could suck on it. And surprisingly, that's

I DECIDED TO JOIN IN THE FUN, SQUIRTING OIL ON MY FINGERS BEFORE PLAYING WITH MY CLIT AND SINKING THEM INTO MY CUNNY.

what really did it for me – I moaned at her not to stop as I fingered myself hard and fast, juices flowing out of me as I wanked myself to orgasm.

Nothing's happened between us since then – we didn't even sleep in the same bed that night, and we haven't talked about it either. I wouldn't say no if things went that way again, though. I've also been fantasising about more foot sex, but with a man this time. I love the thought of rolling and rubbing a big, thick cock in between my soles, then having it spunk all over my perfectly pedicured toes! All I need to do is find someone who fancies it!

always tremble slightly when I'm getting close to orgasm, and Esther seemed to like the way my foot was shaking against her slit. I also realised that what she was

doing to my foot was getting me there quicker – I've never been that ticklish, but the feel of her hot hole clenched around my toe was such a turn-on.

You'd think it was a pretty easy job, writing up a paragraph or two to go with the girlsets in the mag, and I'll admit it – it's not like I'm a mining sulphur from an active volcano or anything, but then from time to time, when you sit down to start writing, all you can think of to say is 'Wow!'. And that doesn't really stretch very far. But really, looking at Kerrie-Lee here, all shiny and boasting a figure that's almost enough to give any sensible man a coronary on the spot, what else is there to say? I'll shut up now, 'cos my mind's gone completely blank!

BLONDIE

Age: 26 Vital Stats: 35C-27-35 5'4"
Photographer: EXP/Hicks

■■■■■■■

Of course for anyone of a certain age the name 'Blondie' will conjure up images of the diving Debbie Harry singing some of her band's sublime hits from the 70s and 80s, but hey – that was quite a long time ago now, and we reckon it's high time someone else laid claim to the name! And let's face it, Blondie here's got as good a claim to the title as anyone! We were very taken with her when she first appeared towards the end of last year, but if anything she's only gone and trumped that appearance with her choice of lingerie here. One way or another, we hope to be getting her back again soon!

ANGELA

Age: 34 Vital Stats: 36D-26-36 5'7"

Photographer: Tammy Sands

Alright, we'll admit it – we thought it's be good to feature the divine Angela Sommers so we could feature some sort of 'Sommers Coming' pun, but as I write all the reports are that we're due another bloody cold-snap over the next few days! Man, it feels like we've had more cold snaps than an Eskimo porn shoot, but at least the sight of Angela here should help keep everyone's spirits up until this bloody winter finally decides to clear off! She's even wearing flowers on her shoes to try and hurry the seasons along, bless her...

Whatever your political views, there's definitely one thing to be said in favour of Fidel Castro's regime in Cuba – it enticed Sabrina's parents to flee the island and, therefore, allowed the rest of the world to have a proper squizz at their stunning daughter!

"Ha, yeah, I guess that's true! They both got out in the 70s when they were students, and... well, one thing lead to another and I was born in 1990! I guess I wouldn't have been able to pursue a career as a model if I'd grown up in Cuba, so yes, we can probably thank Castro for that, if nothing else!"

Well, the men of Cuba won't be thanking him for policies that meant that you don't live there!

Helen Wilkinson

MAYFAIR
Classic

When we last saw 21-year-old Helen Wilkinson in Vol 29 No 6 she told us about her habit of dirty day-dreaming on the train. This month we've caught up with her being equally filthy on a day out in the country — and we're not talking about getting muddy!

"There's nothing I like more than a fuck in the fresh air! And if you've never tried *al fresco* fellatio then you've definitely missed out on one of life's great pleasures!" confessed Helen with a giggle. "I like to take a fella to a secluded spot, spread a blanket on the ground and then unpack the picnic — which means stripping off, cos the only thing he's going to be nibbling at is me!" **M**

PHOTOGRAPHS BY STEVE COLBY

MAYFAIR Classic

So this set from 29 years ago was, apparently, shot by one Steve Colby. Hmm, I wonder whatever happened to him? Oh, wait, hang on – he was in the office yesterday! Yep, he's still at it, you know – it's almost like the job of photographing stunning young ladies taking their clothes off holds more appeal than a dignified retirement! And to be honest, who could blame him? After all, he's been cracking out corking sets like this one of Helen since photography training meant learning to say "Watch the birdie!" at the right moment.

On Sale Dec 9th

There are people out there who reckon we ought to just write 2020 off as a bad lot and just concentrate on making it to 2021. I can see where they're coming from, of course - this has been a pretty crappy year by anyone's standards, but it's far from being a total write-off! We may not have managed to hold Wimbledon and the theatres remain shut, but at least some British institutions have soldiered on, and just to prove it we've got one more issue up our sleeves before the year's out. We can't promise every girl in the mag will rhyme, but Stella and Bella sure do!
